Indian '76
Arkansas State University
Volume 53

Moving through a moment,
Hearing the thumping, beating
In the mind.
Distortions of seconds
Filled with colors
Jutting, slicing
Receptions of the retina
Making one wonder
What is vision, feeling, hearing
Which turns to emotions

Causing sensations
To surge through the body
From inner to outer
The body responds
To the demanding beckon.
Activity causing revolutions
Expanding to trivia.
Experiences of co-relation
One to another
For 'We have only just begun.'

When two roads diverged,
Frost took the one less
Traveled by.
Decisions plague
Man's every endeavor
Emerging, swooping
To wreak vengeance, grief
Or to bring happiness
Pleasure.

As the haze clears
Grasping to feel
Tracking to see
What lies around
The bend in
The undergrowth;
Man faces another
Meeting place
Another dispersal point.

Solitude seems the answer
Whether it is discovered
In bushes, books or
Bathrooms where graffiti
Records a past of
Phone numbers and fun.
Investigation is initially
Provoking, but seldom
Successful and
Boredom rules supreme.

Windblown peaks of
Knowledge are nested
Upon by birds,
Scarred by signs
Designed to boost
programs which increase
Recognition, provide
Dimension and attempt to
Decrease distance of
An uphill climb
For acceptance in
One's own house as
Well as others.

Indulging, toiling
Striving to success
And then for an instant
It happens.
Chills move slowly
Up the spine
A rush lingers
Dedication pays off
In ceremonies, touchdowns
grades or even
The capture of an
Elusive dream or fantasy.

Innocence nor ignorance
Distill mercy as
Sparkling, boiling waters
Fight themselves
And Man is shoved,
Eroded like boulders
Which become grains of sand
And are worn to oblivion.
Observe, however, the sandbar
Which eventually recharts
A river's course.

Beware.
Proceed with caution.
Void to extreme
Mediated by moderation
Tradition gives to change
Or stagnation results
And potential power
Remains untapped.
Conflicts are resolved
With personal
'Keep out' signs.

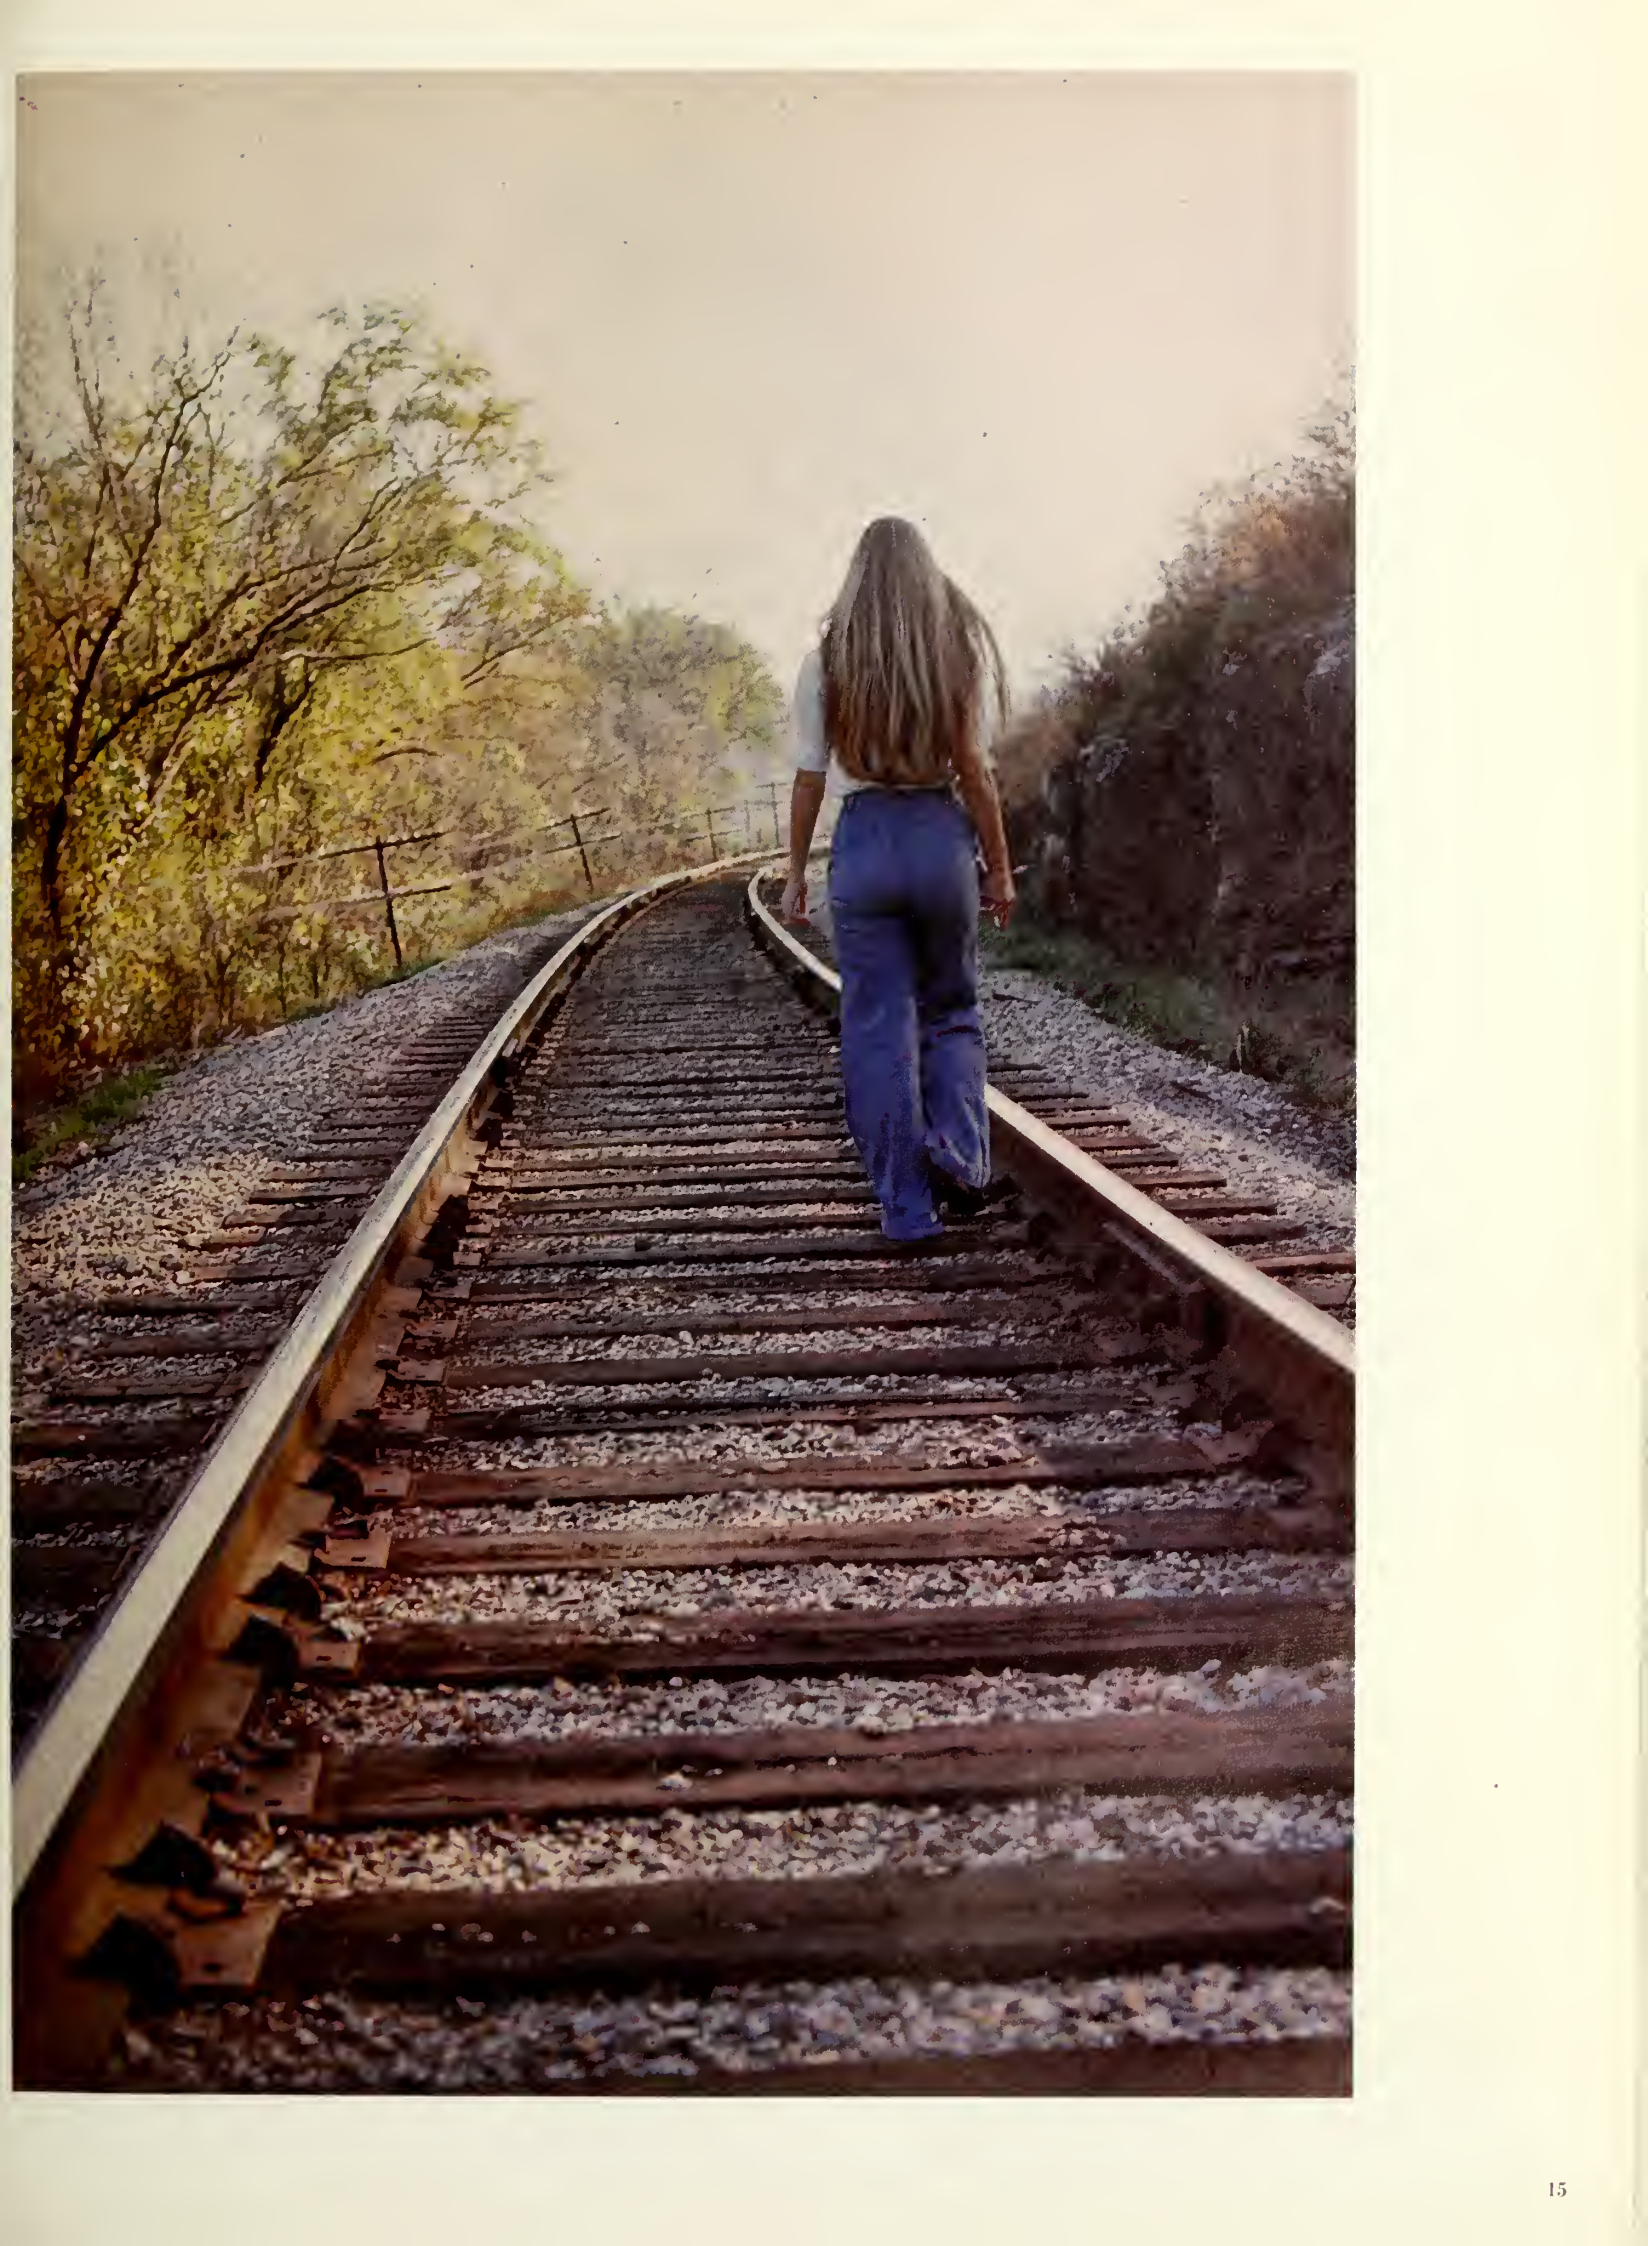

Sharing horizons
Or an individual appreciation
Amplified without apprehension
Togetherness vs. amputation;
Evolving to
Division of efforts
And a combination
Of forces.
Relationships lean toward
Sexual, spiritual
Intellectual.

Amid the rubble
Making one's way
Becomes a crisis
At every turn.
Remember the words from
"Stairway to Heaven"
"There are two paths you
Can go by, but in the
Long run, you still
Have time to change
Both yours."

Dorm Life . . .

Surrounded by four walls
And worldly possessions,
Is isn't home.
Perspective defines
Qualities of inhabitation
As survival dominates and
Temptation hinders.

Many hours
Spent contemplating
Sad or happy glances,
Which become boring,
Turning hypotension
To hypertension and
Nerfing in hallways.

Convenience discriminates
 In ASU's dorms.
 Nature may call
 From down the hall.
 Classes are closer
 For some than others.
 Privacy, No Way.

Hassles abound
But companionship,
Late night munchies,
All nighters,
Unexpected trips
To commode hug
After parties;
May never slip
Into oblivion.

Off Campus . . .

Making it
On your Own,
Having pets,
A place to
Call "Home."
Moving for economy,
Rushing to and fro,
But no intervisitation
With rules.

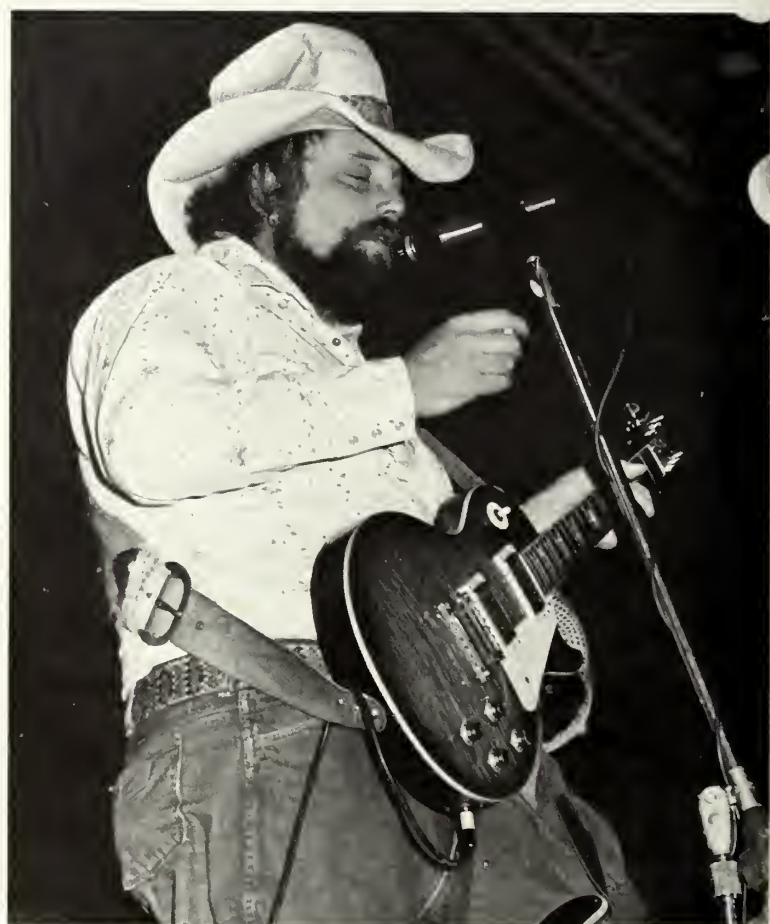

Strange bedfellows
 TV, studies and
 Conversation
 All mingle to
 Make living
 Away from campus
 More enjoyable.
 Rent is a downer.

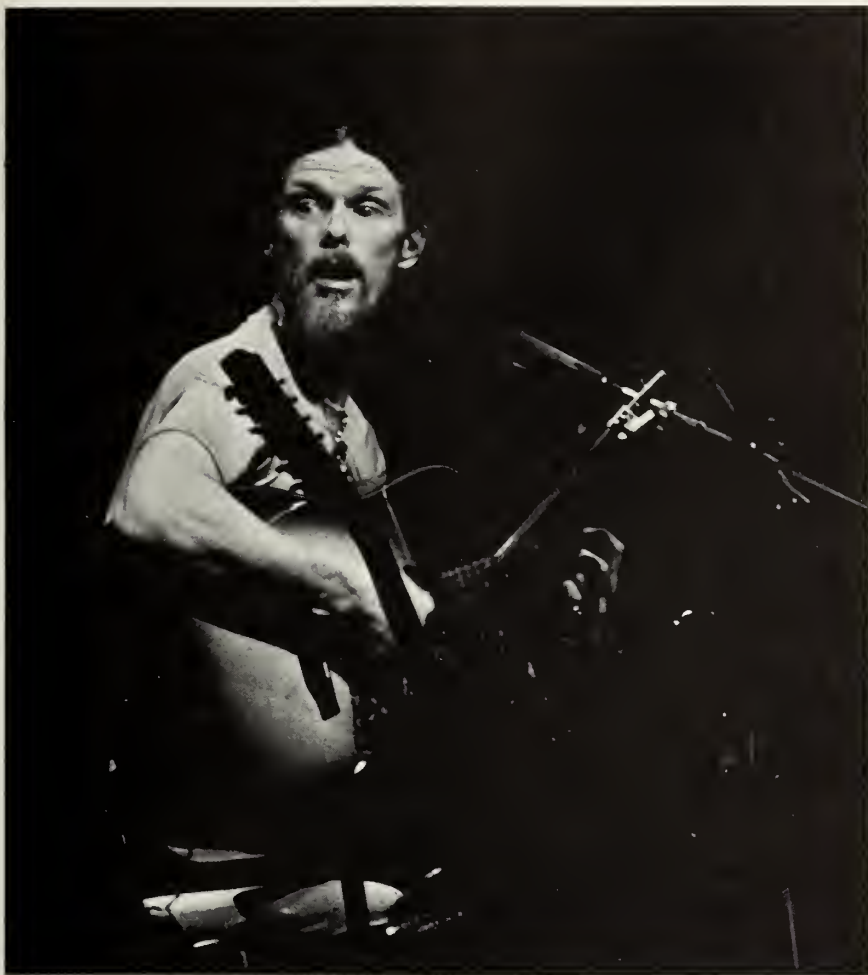

SGA Presents . . .

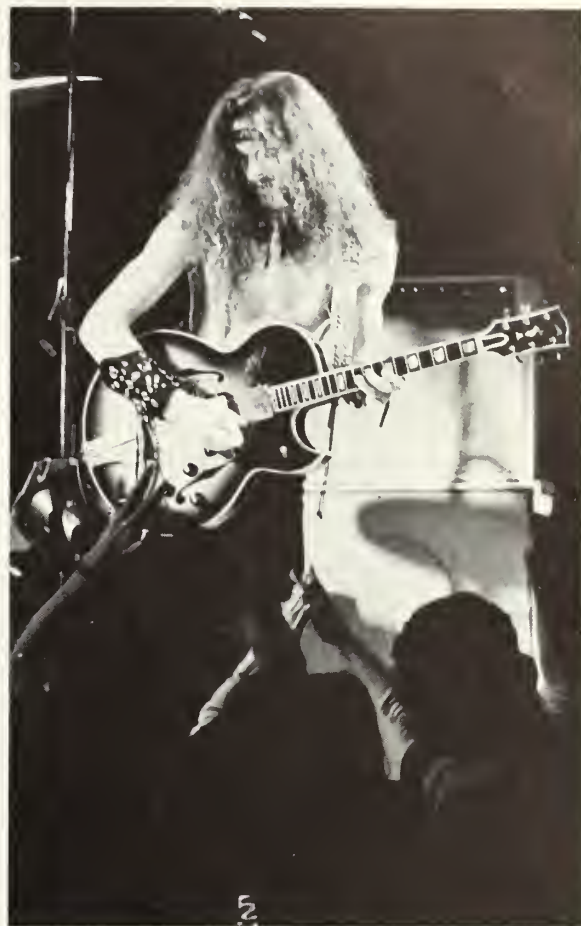

From Prue Prairie League
To "Amazing Grace"
Arkansas State's SGA
Provided, but
Not many came.
CDB, did not make
Much of the South rise.

Traces of light
Flash through memories
As Chapin tells "WOLD" stories
Ballads of time
Blasted by burning guitar
Nugent lights the spark.
As things cool down,
Some built a stage
With off-stage acts.

Boxx started his own
"Third Rate Romance"
By calling students
Musically uneducated.
The stars did boogie.
Manilow was active,
Rare Earth kept things moving,
Charlie Daniels picked
Under the Tennessee flag.

Observers become
Participants by
Standing, requesting.
Make a wish
Is how Tom Chapin
Would phrase it.

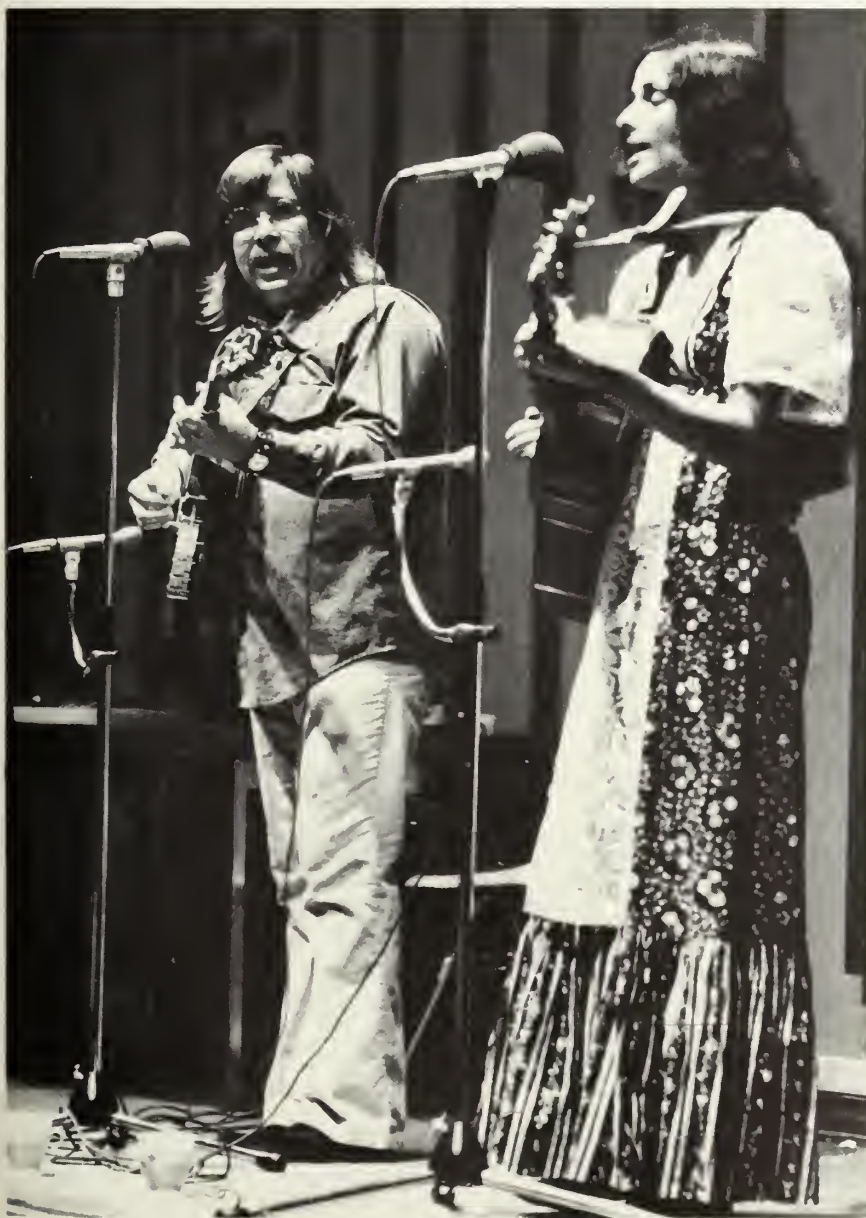

Manilow,
 Pure Prairie League,
 Charlie Daniels,
 Harry Chapin,
 Rare Earth,
 Nugent,
 Amazing Rhythm Aces,
 And side shows.
 Time to clap and
 Move along.

Cyclist Eyes Variety Of Changes Around Campus

New things seem to crop up at ASU regularly. Riding a cycle through campus, one can survey the changes. New greenhouses, P.E. buildings, renovated nursing buildings, pavilions, tracks and libraries take time to come about. They seem to come quickly, however.

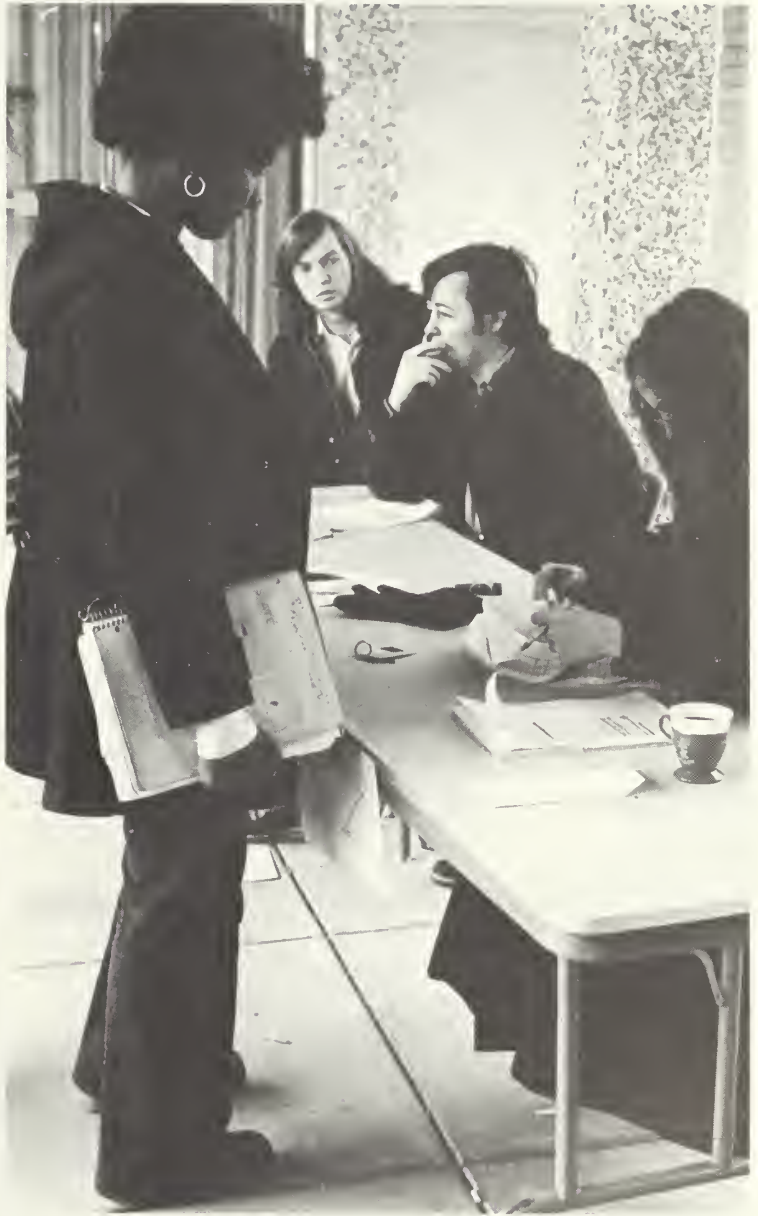

Even the insides of structures have taken on a new light. The Reng Center is an example. Students can now take a break and eat pizza. The center also stays open a little later than last year.

SPORTS . . . a source of diversion

Earl Bell

Only a sophomore, Bell has enjoyed the success of setting both the indoor (18-0 $\frac{1}{4}$) and outdoor (18-1) NCAA records in the pole vault while at ASU.

He also set the outdoor record at the National USTFF Championships (17-8), and established five other Meet and Stadium records.

Bell took first place in 14 major collegiate meets last year, including the Pan American Games, Southland Conference and the Meet Of Champions. He participated in several post-season meets, which included the Canadian Nationals, Pan Am Games and the World University Games in Rome.

He started off the '76 indoor season by winning the Millrose Games (17-6).

Seeks
World
Record

Ed Preston: Another Potential Medalist

As a freshman, Preston gained world-wide attention as one of America's premier sprinters.

In January, '76, Preston came within one-tenth of a second of the world record in the 60-yard dash with a 5.9 clocking at the Southern USTFF Championships.

Preston attracted national honors when he represented the U.S. last summer on the AAU team on the European Tour, taking five individual firsts. He was voted the team's Most Valuable Sprinter.

He set four state records last year; the 100-yard dash (9.4) and 100-meter (10.2), and the 220-yard-dash (20.7) and 200-meter (20.5).

New Facility One Of The Best

Coinciding with ASU's impressive track team is the new polyurethane track, which was opened for the 1976 outdoor season.

The track, one of only five in the world, furnishes modern track and field facilities and includes bleachers with a seating capacity of over 1000.

Cross Country Team Improving; Future Bright

The ASU cross country team finished stronger than expected in 1975, and as things stand, they are in better shape for the upcoming season. With only one graduating off this year's team, the distance runners will be looking forward to a formidable '76 season.

Darrell Burris, a junior, is the top man on the team. This year Burris placed first in nine meets and placed second in four others. He qualified for the National but did not go. Mark Dorsey, a freshman, and David Hoover, a sophomore, will add additional strength to next year's team.

Track Team Keeps Improving

Baseball Team Finishes 17-19

After getting off to a good start, the ASU Indian baseball team fell victim to the rain.

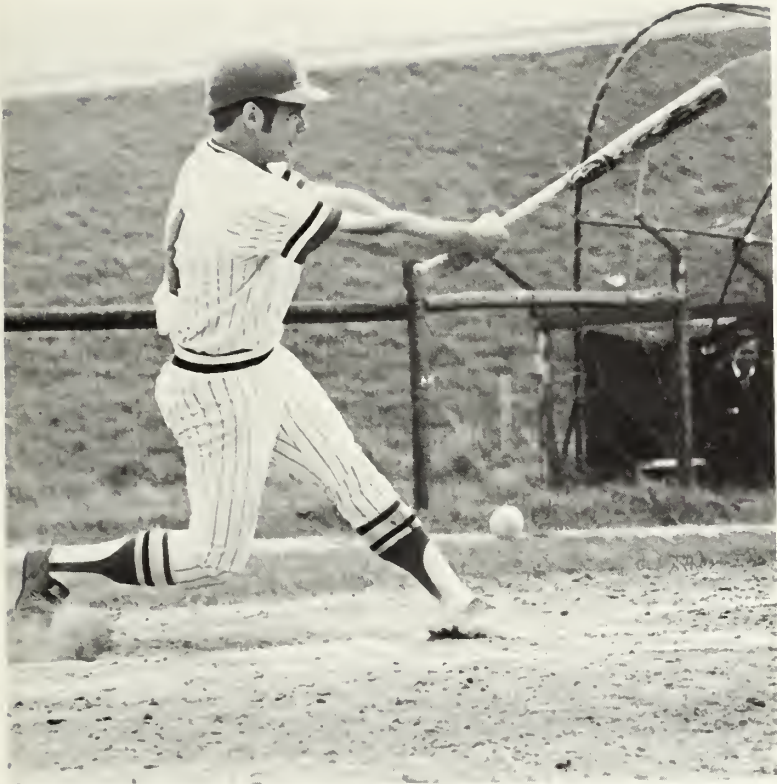

Seventeen games in a row were postponed and the Tribe couldn't regain its momentum after the school record was set for rainouts.

The final record for the ASU team was 17-19 and the total number of rainouts was 22.

John Davis, third baseman, was the leading hitter for the Tribe. Davis returned for the 1976 season.

The Tribe finished fourth in the conference.

ASU Gymnasts Show Style

Have Ball
Will Travel;
Bowlers Win

The ASU Bowlers have, for the third year in a row, finished the season undefeated, having only been beaten this year in the Regionals, where they finished in 5th place. An ASU women's team was also formed this year and they finished in 4th place.

Golf Team Finishes Last

The ASU golf team finished the 1975 season with an impressive 7-2 record in dual matches and was 10th in the Crossroads of America Tournament, but, as it happened the year before, placed 6th in the SLC. Still it was a good year.

Phil Parker, a sophomore, and David Dees, a sophomore, were the top two golfers on the team.

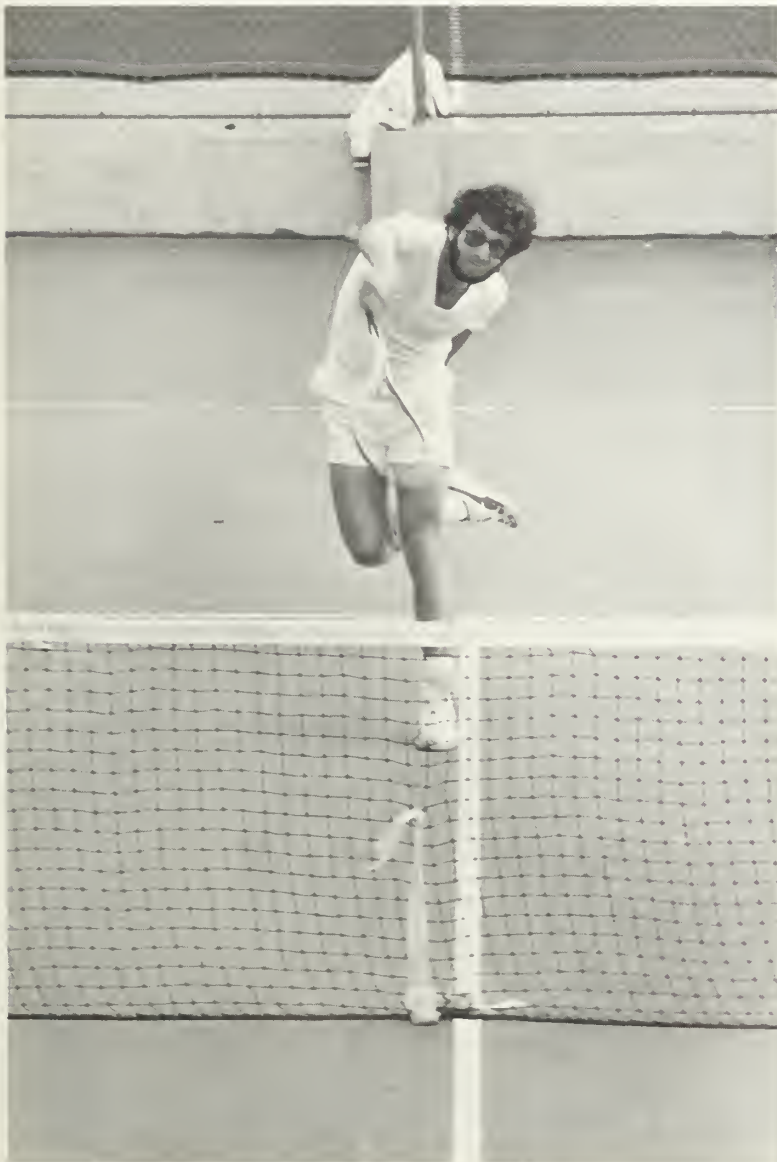

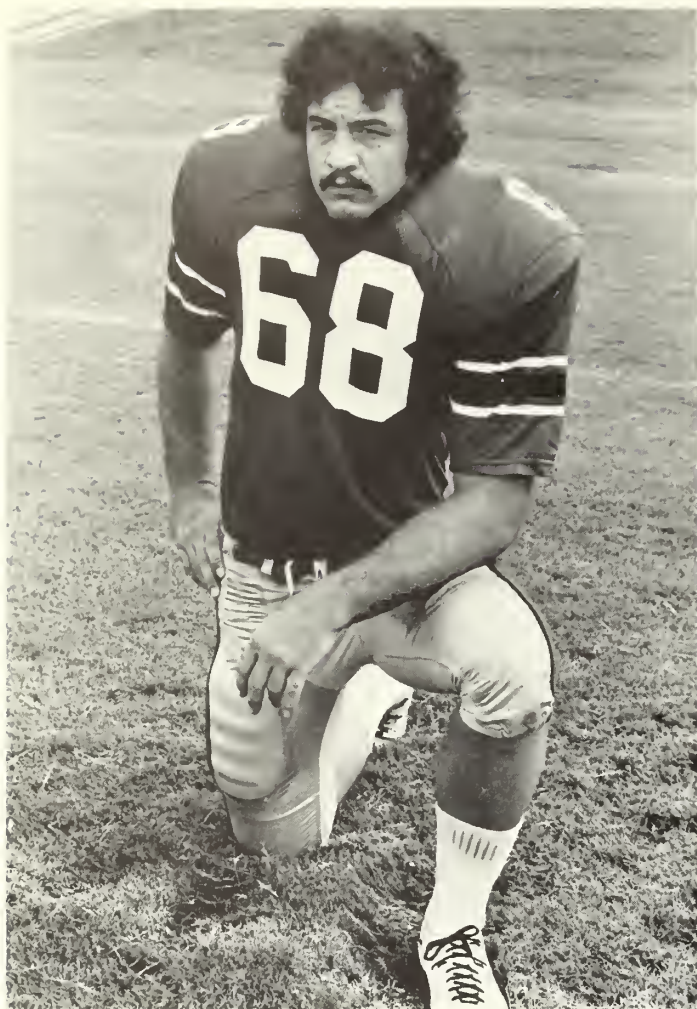

Netters Complete Finest Year

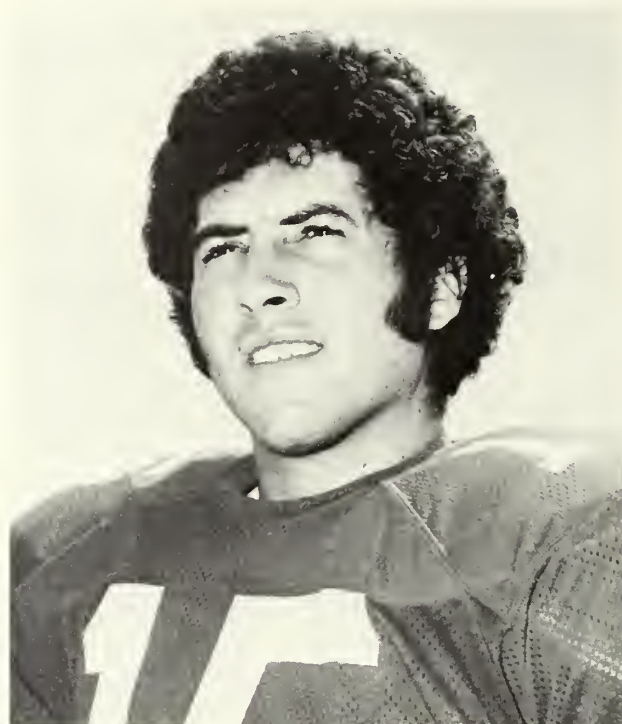

ASU's tennis team finished the season with a 16-9 record, the most victories in one year since ASU began fielding a team. The Tribe finished 4th in the SLC spring meet.

The teams' top three seeded players all finished with 14-11 records.

Southland Conference Champions 1975

Arkansas State University's Unbeaten-Untied-Unranked-Uninvited football team not only beat people in '75 but in most cases, humiliated them.

Teams like Memphis State and Cincinnati, who were supposed to easily handle the Indians, were, to say the least, surprised when it was all over. The other major threat, defending SLC Champions Louisiana Tech, admittedly knew what happened to them after a 30-13 stomping.

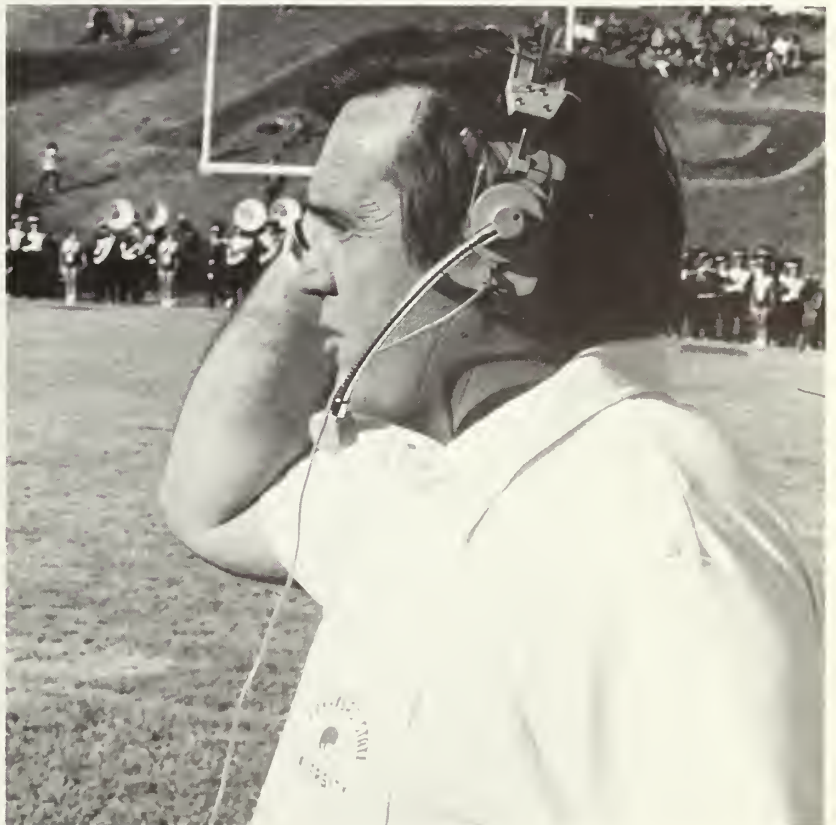

Arkansas State pleasantly surprised a lot of fans all through the season. Towards the season's end everybody knew the Indians were for real.

ASU was recognized nationally barely, to say the most, but many people did turn into believers. ASU should be better known in 1976.

Statistically, ASU won the NCAA rushing offense crown with a 340.5 yards per game average. With Ken Jones bolstering the offensive line and backs the likes of Leroy Harris, David Hines, and Dennis Bolden, who could go wrong.

Defensively, ASU surpassed many in its first year as a major college team, finishing high nationally on NCAA charts for rushing defense and other categories.

What else can you say. It was indeed a great year for ASU football.

Head Coach Bill Davidson
SLC Coach of Year

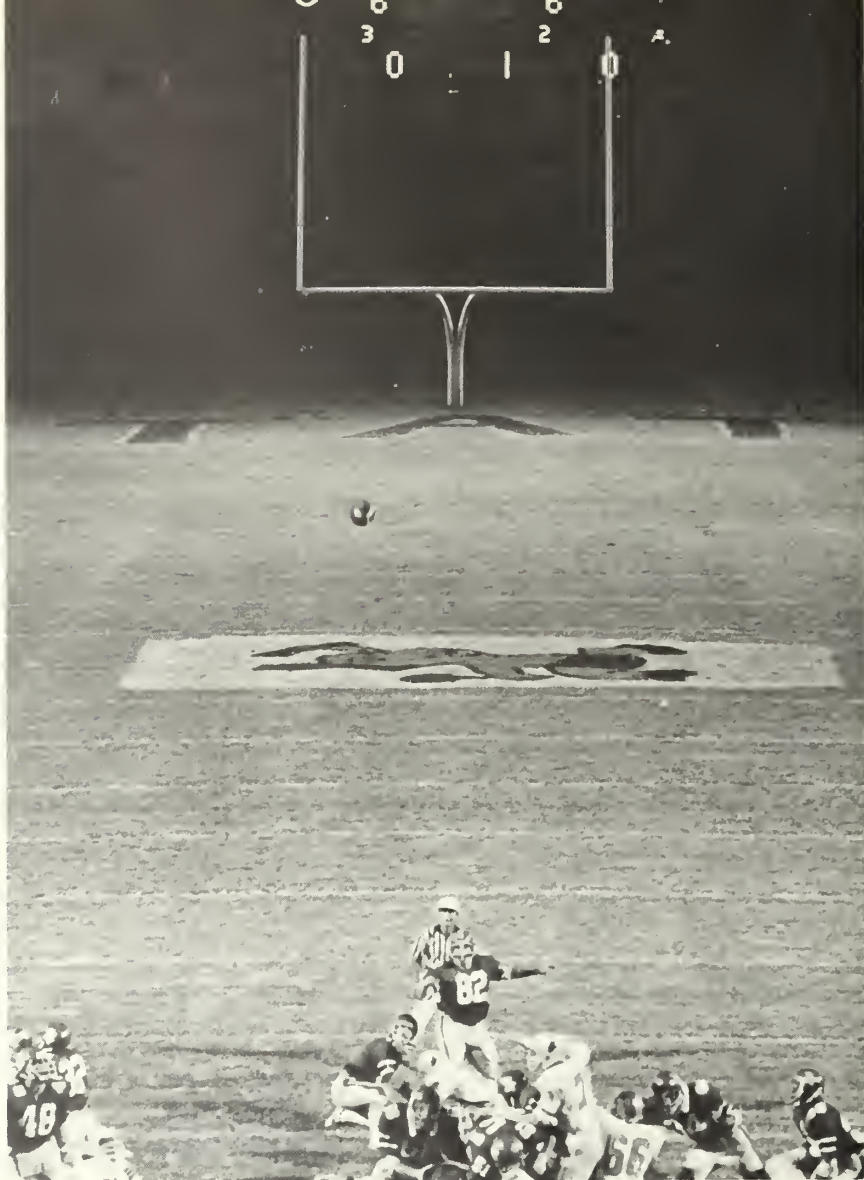

Indians Smash First 3 Opponents

At the time, nobody knew it, but the opening game of the season for the Indians was just a sample of what was to come, using a 42-0 shellacking of Northwest Louisiana as the initial example of future exploits.

David Hines led the Indian offensive attack with a four touchdown spree and directed the offense to 487 yards.

After a fumble-filled first half against Idaho in the second game, the Tribe bounced back in the second half to score 14 points and win 23-6. A 53-yard scoring jaunt by Hines broke the game open. Jimmy Lisko led the defensive stand with two blocked punts.

In the SLC opener, Dennis Bolden broke an ASU record with 259 yards rushing. The Tribe won 24-7 over McNeese with the help of Dick Dixon's efforts in a goal-line stand.

Arkansas State 29 Memphis State 10

Boasting a 3-0 overall record, ASU preceded to take on the biggest challenge of the season, the Memphis State Tigers, and at the game's end, the Indians, with both offense and defense, had turned the Tigers into Pussycats, whipping them, 29-10.

The Indians created the big plays on offense and Memphis State found its own offense burdened down by an overpowering ASU defense.

The Tribe took a commanding 10-0 lead into the locker room at halftime, scoring on a 32-yard field goal by Dan Mullen and startling the Tigers for the second score when sub-quarterback Randy Reed was inserted as a halfback and delivered a pass to quarterback David Hines in the end zone.

Roy Painter intercepted a pass and ran it back for a touchdown to ice the game for the Indians, and send them on their way to the "big time."

Indians Thrash USL; Nip Cincinnati

It took three quarters for the Indians to come onto the field against the University of Southwestern Louisiana, or so it seemed, but when they did arrive, they made their presence known.

The first half was a nightmare for ASU. The offense couldn't get generating and the defense was getting generated on by the tough Cajuns.

But in the second half Jimmy Lisko blocked a punt for a safety and that was all the Indians needed. A touchdown soon followed and the Tribe was on its way to a 39-17 win.

The Indians hit the road next to take on Cincinnati, their second tough, major college foe. The predicted defensive battle was just that, but ASU out-defensed the Bearcats on a cold and rainy night to win, 14-9.

It Tells The Offense. . .
The Story. . . The Defense. . .

David Hines, who had a slight injury entering the Lamar game and who didn't start, had to come off the bench to spark the Indians to a 17-0 victory over the Cardinals.

Hines scored on a one-yard run after Steve Stinnet blocked a punt and Sylvester Loving picked it up. Dennis Bolden scored on a 39-yard jaunt on an option from Hines and Bobby Watson added a 26-yard field goal for ASU's scoring.

The Indian defense shut out the University of Tennessee-Chattanooga and the offense rolled up 300 yards and 48 points.

Jimmy Lisko blocked his sixth punt of the year to add to his record.

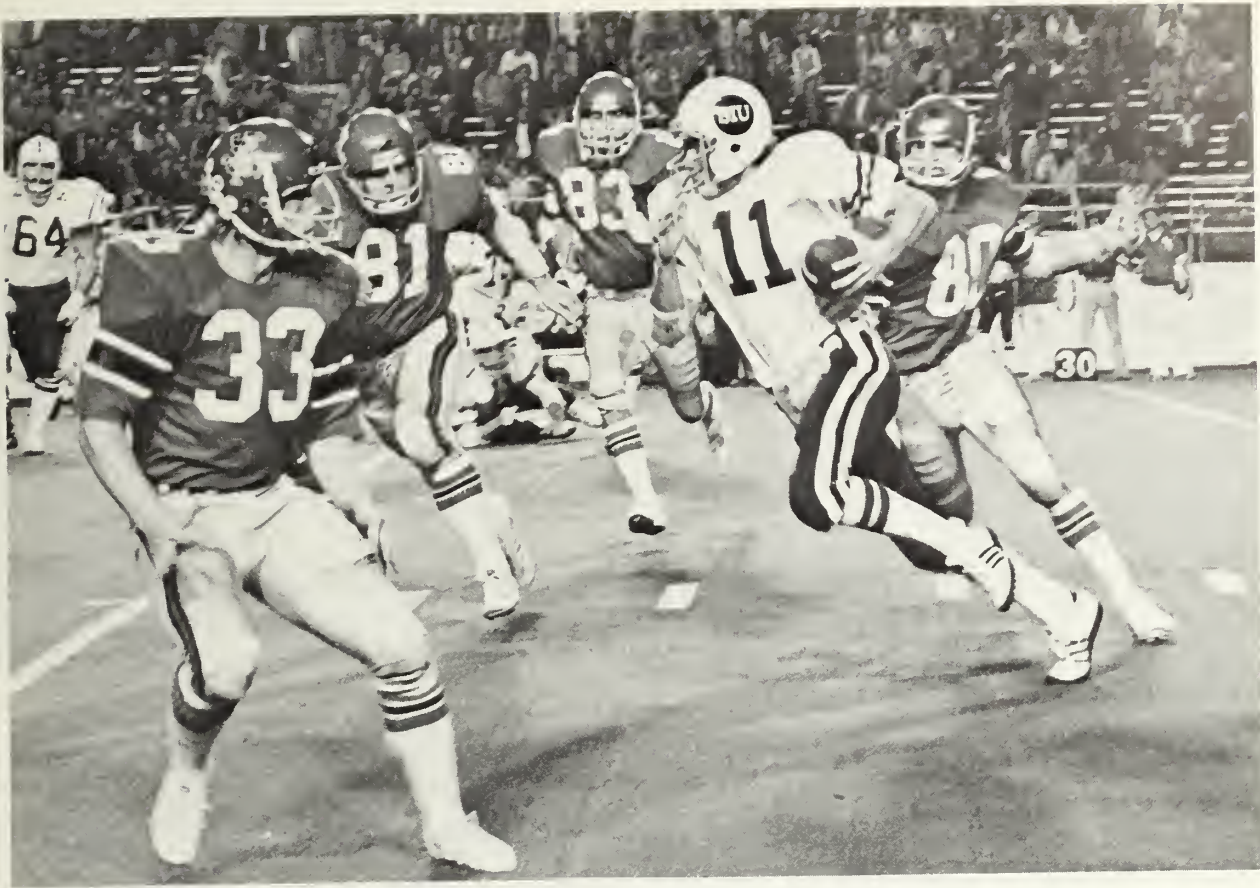

"We Tried". . .SIU, UTA

Arkansas State earned possession of the NCAA's longest winning streak in the nation in Little Rock when they beat a stubborn Southern Illinois Salukis team, 35-12.

ASU, behind the running of Dennis Bolden and Leroy Harris, scored three times in the third quarter to put the game away.

The Tribe extended its' winning streak to 13 games in a 54-7 massacre of UT-Arlington in preparation for the SLC showdown with Louisiana Tech.

Indians Win "Ruston Bowl," Become SLC Champions

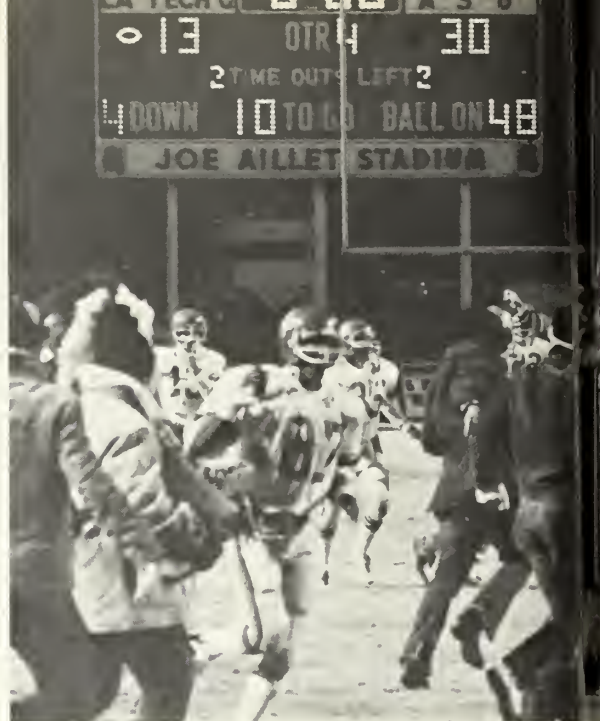

It all boiled down to one game, the "Ruston Bowl," where the Tribe was to pit its strength against defending SLC Champion Louisiana Tech.

Tech had an explosive offensive unit, but ASU countered with a devastating defense.

The Bulldogs were known for scoring through the air, while ASU's secondary was known for not allowing a score by pass. Tech hadn't had a punt blocked all season. The Indians had blocked 11. It appeared to be the showdown of all showdowns.

It appeared that way. But it wasn't. ASU chewed up the Bulldogs, 30-13.

The offense rolled up 376 yards rushing. The defense 'allowed' Tech minus seven yards rushing, and forced five turnovers, including a blocked punt.

Volleyball, Tennis Begun

Women's volleyball and tennis went through their first seasons. Last spring's tennis team finished with a 2-6 record, a respectable beginning from which to launch this year's season.

Although this fall was the first schedule for the volleyball team, an outstanding record of 25-6 was accomplished against a very respectable slate of opponents. The team finished 3rd in the state AWISA tournament.

Immature Bald Eagle

These pages are dedicated to the world of nature whose demise is caused by man's activities.

Man must realize he is a member, not a supreme master of the environment, and he will suffer as the quality of the environment is degraded by his actions.

Respect and ethics must be applied not only to our fellow man, but also to the other biotic communities and the physical components of the natural world.

Photos by
Terry Horton

A collage of numerous black and white student portraits, tilted at various angles, creating a dynamic and layered visual effect. The portraits feature students of diverse backgrounds and ages, mostly in high school or college. The text "We The People" is centered over the collage in a white, serif font.

Editor Starr Reveals Composite Thoughts

GONE FISHING!

Staff Contributes To Book, Editor's Insanity

Surely in past yearbooks you have read editor's comments that tell the troubles involved in year-book production.

The book is out and that is all I really care about, is the general attitude that the past editors have taken.

This year wasn't a hell of a lot different.

For those staff members who deserted in mid-stream, we managed without you.

Assistant Editor Harold Coggins was never around, but the pages assigned him were always ready on time. Harold was given the dirty work of the book. He sometimes did things the hard way,

but results are the important thing.

Sports Editor Warren Byrd argued a lot about content, couldn't type very well and was always late. However, I'm not much of a teacher and Warren had no experience before taking job. Warren was one of the few staff members who liked what he was doing.

Ron Reaves, spring Greek editor, spent more hours working than most of the staff. He also had the problem of no experience, but after figuring out what a layout sheet was in an all-night session, he produced his pages on time.

The photographers were always complaining about the lack of females on the staff.

Special thanks must go to Tom Manning and the staff of the News Bureau. Tom was a help from start to finish and they are responsible for the production of the class section.

John Jenkins, who was fall Greek editor was an important factor in this yearbook. Jenkins got the Greek section after he kept spouting great ideas for the entire book and I told him to put some work where his mouth was. A tip of the hat goes to Jenkins, who is somewhere in North Carolina.

If this book had a dedication, it would go to Dr. O. P. James and the graduate students of the fall 18th Century Lit class.
